General Rate Sheet for Book Design and Production

Interior pages, Based on 1 color, text only, page size of your choice:

Since every book is an individual project with different design elements, this is a “sample guideline” based on a 1-color, text-only book. This is to give a general idea of what my charges for basic book layout are.

Fixed at \$180 (includes) Setup, Preliminary Design, One Set of Corrections and Final Output

Setup: All text provided by client in a standard digital format (.doc files)

Preliminary Design: Two interior page designs provided for customer approval

One Set of Corrections: Round one corrections done and second proof sent for approval

Final Output: Files and printout sent to printer via USPS standard, CD copy sent to client via USPS standard.

\$3 per page: The actual layout of the book (for text only).

Extra Charges:

Design Elements per page..... **\$5 each**

(includes footnotes, sidebars, image and caption placements, etc.)

Extensive changes beyond first proof **\$30/hour**

Rush Shipping Charges..... Based on actual charges

Full Color Interior Design..... To be quoted on individual basis

Cover Design: To be quoted on individual basis.
